Cutting Edge Workplace Ethics for Lawyers

OCT
25

CLE PROGRAM

This course will survey several hot topics in the intersection between employment law and the ethical requirements of attorneys. Particularly, we will discuss how conduct by in-house and outside counsel can trigger ethical issues and how to avoid these ethical pitfalls in the rapidly changing employment law world. This fast-paced survey of cutting edge ethical issues will address: the impact of changing demographics in the workplace on lawyers' ethical duties; ethical issues pertaining to whistleblowers in the workplace; and the globalization of legal services.
